

Safety regulations for Physics Labs Spring 2023 Pandemic Version

At all times in the labs, students must properly wear face masks.

Correct social hygiene must be practiced at all times in the lab and masks must always be properly worn. Students are responsible for sanitizing work areas (including equipment) before and after lab.

- (1) Anytime springs are used in lab, safety goggles must be worn.
- (2) Anytime boiling water is used in lab, safety goggles must be worn.
- (3) You should not look at laser light or point it towards other people.
- (4) In the event of a spill (which will be water), dispense a towel from the spill kit (aka towel dispenser) and wipe up the spill.
- (5) Food and drink are not permitted in lab.

College-Wide COVID-19 Policies for Fall, 2022

- (6) Masks are mandated for all students in my classrooms, and laboratories. All other Lyon covid restrictions apply.
- (7) **Special requirement for phy321:** When using the telescope (or your eyes), you are strictly prohibited from pointing the telescope at the sun. Doing so without a sun shade will damage the telescope and destroy your eyes. Additionally sun shades have been known to break.
